No AQHA Registration Certificates will be accepted at Zia Park Racing Office with more than one (1) transfer of ownership.

2) All registration certificates received on or prior to October 19, 2026, at 4:00 PM will receive a"0" date which is the lowest possible date. 3) All horses registering after 4:00 p.m. on October 19, 2026, will receive an "E" date corresponding to the race day that the papers/registrations are submitted to the Racing Office.

4) Horses that run will receive a running "R" date of the same day and lose any date previously held (excluding Trials, Finals and Stakes.)

5) Any horse which scratches off the program will receive a scratch "S" date and lose any date previously held. Horses placed on the Veterinarian's list or Steward's list will receive a scratch "S" date corresponding to the day they come off the list.

8) Horses which have established a date at the current meeting will lose that preference date should they race elsewhere and will receive a date when their papers are received back in the office.

11) Trainers are not allowed to enter no more than two (2) horses in a single overnight race or three (3) horses in a single Thoroughbred overnight race without the approval of the Racing Secretary. If a trainer is allowed two entries in a single race, the horse with the best date must be preferred. If a trainer is allowed to enter three (3) horses in a single race, a third part entry cannot exclude a second part entry or a single interest, regardless of preference date. A second-part entry cannot exclude a single interest, regardless of preference date. Entries will only be accepted with the express purpose of racing in the race entered. **SEE SCRATCH RULES BELOW**.
12) Horses "in-today" may not be entered in another race. This is subject to change at the Racing Secretary's discretion based on scratch patterns.
13) A horse appearing in the entries and is entered back will have no consideration should the race overfill.

Horses in stakes, handicaps and trials must scratch no later than 45 minutes prior to post-time. In all overnight races and stakes that are restricted to fewer than twelve (12) starters, up to two (2) also-eligible horses will be drawn in order of preference as the final two post positions. ***Entry of any horse which has been scratched, or excused from starting by the stewards, because of a physical disability or sickness may not be accepted until the expiration of seven (7) calendar days after such horse was scratched or excused and the horse has been removed from the veterinarian's list. Zia Park may alter this provision at its discretion.***

*****PLEASE NOTE: Owner/Trainers with two (2) or more horses in an overnight race in which one of the horses is scratched – for any reason – shall not be permitted to start that horse again until the expiration of twenty-one (21) calendar days after such horse was scratched unless approved by the Racing Secretary.*****

VOID CLAIM (HISA Rule 2262) ***For Thoroughbreds Only*** (a) Except as provided in paragraphs (e) and (g), title to a Covered Horse which is claimed shall be vested in the successful claimant from the time the field has been dispatched from the starting gate and the Covered Horse becomes a starter. (b) All claimed Covered Horses shall go to the Test Barn, or, if approved by the Authority, the secured area used for claimed Covered Horse inspections, for observation by the Regulatory Veterinarian. (c) Test Barn or approved secured area observation: (1) upon entry into the Test Barn or approved secured area, a claimed Covered Horse shall be periodically observed for no less than 30 minutes during the ``cooling out'' process, unless excused by the Regulatory Veterinarian. (d) If a claimed Covered Horse is placed on the Veterinarians' List for Epistaxis, or as unsound or lame, it is the responsibility of the Regulatory Veterinarian to notify the Stewards immediately so that the Stewards may order the Claim voided. (g)

Notwithstanding Rule 3060(a) and 3070(c), and subject to Rule 2262(h), if a postrace sample collected from a claimed Covered Horse on the day of the Claim results in an Adverse Analytical Finding, the claimant shall be promptly notified by the Agency or the Authority and the claimant shall have the option to void the claim. The claimant shall have 48 hours from notification of the Adverse Analytical Finding to void the claim by submitting in writing to the Stewards the claimant's decision to void the claim. If the claimant chooses to void the Claim: (1) the claimant shall be entitled to the return from the prior Owner of all sums paid for the claimed Covered Horse; (2) the claimant shall be entitled, upon submission of expense records, to recoup reasonable expenses from the prior Owner related to the care, custody and control of the Covered Horse incurred after the date of the claim; and (3) the claimed Covered Horse shall be returned to the prior Owner. (b) A Responsible Person may opt to declare a Covered Horse ineligible to be claimed for a second consecutive race, provided: (1) the waiver must have been asserted in the first race back to be eligible for the second waiver; (2) if the Covered Horse wins the first race back, it is ineligible for the second waiver; (3) if the Covered Horse changes majority ownership subsequent to the first race, it is ineligible for the second waiver; and (4) the provisions in 2263(a)(3) still apply.

Penn Entertainment, Inc. Animal Welfare Policy

The health and safety of the equine participants at all PENN racing properties is of paramount importance and all Racing Participants, especially those who are entrusted with the ownership and the ongoing care of these animals, must take all reasonable actions and care to ensure such equine participants are treated with dignity and respect.

Any Racing Participant covered by this Guide who handles or treats any animal without regard for the well-being of the animal or causes physical injury or pain or suffering to the animal, including excessive or unnecessary training/whipping, transporting (including transport by cargo ship), or neglect in the care or feeding or medical attention shown to the animal, as determined in the sole discretion of Racetrack, may be sanctioned. Except as required by statute or regulation, it is the sole responsibility of the trainer to ensure that a licensed and competent veterinarian is available at all times to ensure the health and welfare of such trainer's horses and to attend to trainer's horses at all times such horses are on the grounds of Racetrack in any and all emergency situations in which a Regulatory or Racetrack veterinarian is not required to be present or to respond to a trainer's horse(s). As a condition of entry in any race conducted at a PENN Racetrack, each trainer and his/her attending veterinarian acknowledges and represents that the horse entered to race has had the proper pre-race examinations to determine the horse is physically fit to race.

In the event Racetrack receives credible and verifiable information regarding a Racing Participant who knowingly, or without conducting proper due diligence, buys or sells a horse for slaughter, directly or indirectly, such individual(s) may be sanctioned by the Racetrack up to and including revocation of stalls and exclusion from racing at all PENN properties. The Racetrack highly encourages Racing Participants to obtain proper written documentation on sale or transfer of any horse that they previously raced or was stabled on the grounds of Racetrack and lack of such documentation shall be considered a failure in due diligence efforts. The Racetrack reserves the right to require trainer or individuals responsible for a horse to provide such documentation as requested and failure to cooperate may result in sanctions by the Racetrack, up to and including revocations of stalls and exclusion from racing at all PENN properties.

All trainers entering a horse to race at a PENN racetrack acknowledge that his/her horse is physically fit to compete in such race(s) and the trainer has taken all reasonable efforts, including an examination and clearance to race by his/her personal veterinarian, to ensure that horse shall not pose a risk to itself or any other competitor in that race. Trainers shall ensure when a horse in his/her care is racing and/or training at a PENN track that a licensed veterinarian contracted by the trainer is available at all times to respond to any medical incident or emergency for the horse. Failure to make all efforts to ensure a horse under a trainer's care is not physically fit or capable of competing shall result in revocation or racing and stabling privileges for that trainer.
