ELIGIBILITY AND NOMINATIONS:

The Race is open to New Mexico Bred Foals of 2017 which are registered with the American Quarter Horse Association & certified as a New Mexico Bred by the state association. A complete payment for the Futurity is on the front of this form. An advertising/clerical fee of 5.0% will be deducted from each original nomination and sustaining payments.

TRIALS:

Each trial shall consist of not more than ten (10) horses. The trials shall be raced under the same conditions as the stake. Horses for the stake final shall be selected on a time basis. Times of horses in separate trials will be determined by electric timer. In the event horses in the same trial race are given identical times, the selection of which horse will participate in the final will be determined by order of finish posted by racing officials. No adjustments will be made in recorded time of trials for head wind, tail wind, off track, or any other act of nature, etc. Should a mechanical failure occur with the electric timers on any time trial, finalists will be selected by official hand timing, with stop watches operated by three (3) official, reputable and disinterested persons. The average of three hand times will be utilized for the winning time, unless one of the hand times is clearly incorrect. In such cases, the average of the two accurate hand times will be used for the winning time; other horses shall be given times according to the order and margins of finish with the aid of photo finish, if available. If for any reason a tie exists, the horses involved shall draw lots to determine which shall participate in the final. Should a horse be disqualified, he will be given the time of the horse he is immediately behind plus 1/1000 of one second. If the front of the gates on the starting gate fail to open due to mechanical failure, or if the horse is left behind the gate when the field is dispatched during the running of the trials, such horse shall be declared a nonstarter and all nominating, sustaining, and entry fees shall be refunded from the final purse to the owner of the horse. During the running of the final, such horse will be declared a nonstarter and shall be classified as a scratched horse and shall be paid last place purse money in said race. The decisions of the Stewards in all matters shall be final and entries are accepted only on the condition that those persons nominating, and/or starting a horse in the trials and/or stake, agree to abide by the Stewards decision. If any part of an entry is disqualified, it may disqualify all of the entry. All rules or new rules adopted by the Commission supersede any condition of these races. Zia Park reserves the right to hold trials for the race on non- race days.

An "Also Eligible List" may be used for the finals but not for the trials. All qualifiers must pass the entry box. If a horse should scratch late from the final, the owner will receive last place purse money. If more than one horse should be scratched out of the final, then those monies shall be added together and divided equally among those scratching out of the final. Horses scratched from trials or final based on results from testing conducted by the Commission, Zia Park or their agents shall not be eligible for any purse money and shall forfeit all nomination and sustaining payments.
